LANDI RENZO S.p.A. Increased its Guidance for FY 2008 Business Organic Growth

Cavriago, 9 October 2008 - Landi Renzo S.p.A. — a company listed in the STAR segment of Borsa Italiana — updated its guidance for full-year organic growth.

Thanks to the strategies pursued by the Company and its good business trend, 25% (€ 205 million) organic growth for 2008 is now expected, i.e. 7 percentage points more than the 18% growth forecast at the beginning of this year.

EBITDA margin is expected to exceed € 46 million, as a result of the cost-cutting strategies implemented and the improved product mix.

Landi Renzo is a world leader in the sector of components and LPG and CNG fuel systems for motor vehicles.

Based in Cavriago (Reggio Emilia) and with more than 50 years' experience in the sector, Landi Renzo is distinguished by the sustained growth of its revenues and the extent of its international operations, with a presence in over 50 countries. Exports account for about 70% of the Company's sales.

Landi Renzo S.p.A. has been listed in the STAR segment of Borsa Italiana since June 2007.
