

PRESS RELEASE

LANDI RENZO S.p.A. Chosen as Supplier of LPG Systems for BMW Group for MINI RAY G model.

Landi Renzo S.p.A., a world leader in eco-mobility, listed in the STAR segment of Borsa Italiana, has been chosen as supplier by BMW.

The German car producer has developed in partnership with Landi Renzo a solution to take advantage of market demand trends by introducing the LPG version of MINI RAY, called MINI RAY G, starting from October 2009.

“This partnership – said CEO Claudio Carnevale – is another important awareness to Landi Group capability of supplying eco-mobility solutions to most important automotive players. Furthermore – adds Carnevale – BMW decision to give the customers an LPG option, witnesses how deep is today the importance felt about eco-friendly solutions offers by final users.”

Landi Renzo is a world leader in the sector of components and LPG and CNG fuel systems for motor vehicles.

Based in Cavriago (Reggio Emilia) and with more than 50 years' experience in the sector, Landi Renzo is distinguished by the sustained growth of its revenues and the extent of its international operations, with a presence in over 50 countries. Exports account for about 50% of the Company's sales.

Landi Renzo S.p.A. has been listed in the STAR segment of Borsa Italiana since June 2007.
