

**PRESS RELEASE**

**LANDI RENZO S.p.A.: the Company enters the US market - Landi Renzo USA CORPORATION has been founded - President is Mr. Andrea Landi.**

**Cavriago (RE), January 21, 2010** - Landi Renzo S.p.A started its activities in the United States, through its subsidiary Landi Renzo USA Corporation. The operational headquarters is in California.

Landi Renzo USA Corporation will develop all necessary activities to supply the U.S. car market with eco-friendly automotive fuel systems, in the shortest time possible.

"With this new entity - said Andrea Landi, Landi Renzo President of the U.S. Corporation and son of Vice President of the Parent Company Landi Renzo S.p.A., Stefano Landi - we believe we can offer an important contribution by giving to United States the chance to take practical and economical benefits by choosing eco-friendly fuels instead of those ones derived from oil".

Specifically, the new company will develop the necessary certifications and will arrange all useful processes to convert vehicles. The Corporation is another step in the company's internationalization strategy, after creating subsidiaries in Europe, Asia and South America.

"In the U.S. the potential of eco-friendly fuels, particularly natural gas, is now more than ever high - says CEO of Landi Renzo S.p.A. Claudio Carnevale - As in other cases, our group decided to play a key role to develop and take the sector business opportunities".

*Landi Renzo is a world leader in the sector of components and LPG and CNG fuel systems for motor vehicles.*

*Based in Cavriago (Reggio Emilia - Italy) and with more than 50 years' experience in the sector, Landi Renzo is distinguished by the sustained growth of its revenues and the extent of its international operations, with a presence in over 50 countries.*

*Landi Renzo S.p.A. has been listed in the STAR segment of Borsa Italiana since June 2007.*
